Subject: Engineer's Recommendation of Approval for Change Order #2

Dear Mr. Raulerson:

I have reviewed East Coasts Price for Change Order #2 of **\$ 239,064.50** for the Proposed Improvements where our New Road will tie into Perry House Road. Please see the attached sheets C2.4A-P&P and C2.4B-P&P. I recommend approval by the County for the proposed work.

The work is to include all necessary materials, demolition, labor, paving, grading, traffic control, erosion control, permanent grassing, pavement markings and signage as well as all other work that may be required and has been called for in the project manual elsewhere on the project.

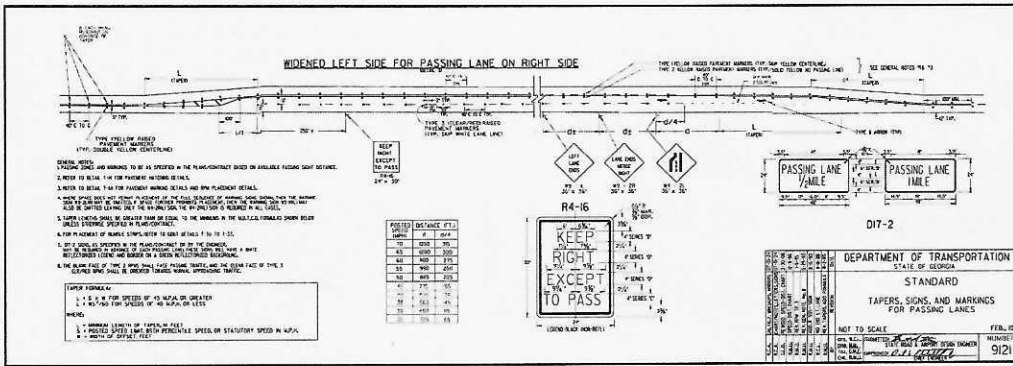

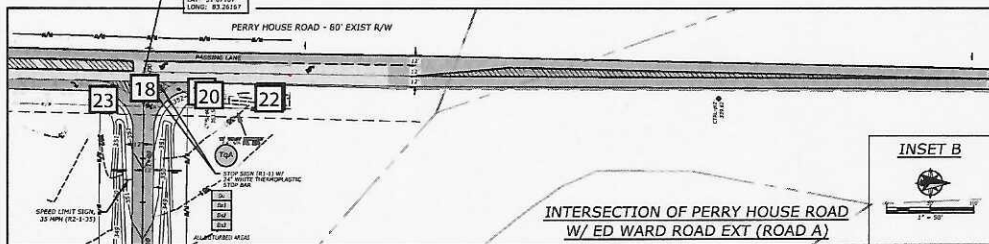

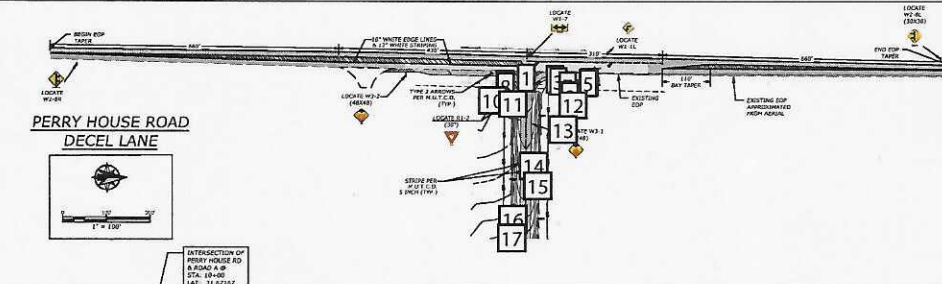

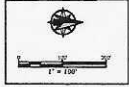

Should you require additional information please contact me at lsanders@arrowengineeringgroup.com or on my cell at (229-561-2733).

Sincerely,

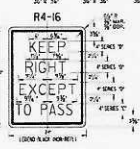

H. Larry Sanders, P.E.
