REMARKS _____ _____ _____ _____																																					

DISCLAIMER OF WARRANTIES BY SELLER: The only warranties, if any, applying to the vehicle are those offered by manufacturer. Seller makes no express warranties on the vehicle. The described vehicle is sold "AS IS" and "With all Faults" and seller hereby expressly disclaims neither assumes nor authorizes any person to assume for seller any liability in connection with the sale of this vehicle. Purchaser(s) shall not be entitled to recover from seller any consequential damages, damages to property, damages for loss of use, time, profits, income, or incidental damages.

MEDIATION/ARBITRATION REQUIRED BY THIS AGREEMENT: Both parties agree that instead of litigation in a court, if any dispute, controversy, or claim occurs arising out of or related to the sale of this vehicle, this agreement or any other document or agreement relating to the vehicle (including any retail installment or consumer credit sale contract), paragraph 5 printed on the back of this document shall apply.

YOU AGREE THAT THE ADDITIONAL TERMS AND CONDITIONS PRINTED ON THE BACK OF THIS DOCUMENT ARE A PART OF THIS AGREEMENT AND the front and the back of this retail purchase agreement contain the entire agreement related to this purchase and no other agreements, understandings or promises will be recognized.

NOTICE TO PURCHASER(S): Do not sign this agreement until you read it. You are entitled to a copy of agreements and/or documents that you sign. You acknowledge receipt of a complete copy of this agreement. This agreement is not binding unless signed by an officer or manager of the seller and by purchase(s).

RETAIL PURCHASE AGREEMENT

The agreement on the reverse side is subject to the following terms and conditions which have been mutually agreed upon:

- 1 (a). SECURITY INTEREST IF NOT PAID IN FULL. If you do not make payment in full for the vehicle in cash, trade-in or funds from a lender, or any combination thereof, you hereby agree this document grants us a security interest in the vehicle being purchased and any accessories, equipment, and replacement parts installed in the vehicle. As a result of the security interest, we shall have a lien on the vehicle and all rights of a secured party under the laws of the State of Florida and the Uniform Commercial Code, including all rights of repossession as more fully described below, until we have been paid in full. This security interest is separate and apart from, but subordinate to, any interest granted to a third party lender if the vehicle is purchased on credit. If you breach any of your obligations in this Retail Purchase Agreement, we have the right to immediately repossess the vehicle. Any accessories, equipment, or replacement parts will remain with the vehicle.
- 1 (b). IF THIS IS A CONDITIONAL RETAIL PURCHASE AND SELLER IS ASSISTING WITH FINANCE SOURCING. The required finance disclosures will be made to you prior to the time you sign the Retail Installment or Consumer Credit Sale Contract.
- 1 (c). IF THIS IS A RETAIL PURCHASE AND NO SELLER FINANCE SOURCING IS PROVIDED. You choose to pay the unpaid balance of the cash selling price by providing your own cash and/or financing. The sale is final when you sign this retail purchase agreement and we have received funds for the unpaid balance from you or your financing source.
- 1 (d). PAYOFF OF TRADE-IN BALANCE OWED. You represent there is no other extension of credit to you in connection with your trade-in except as set forth on the face of this Agreement, and agree to pay us any shortage between the pay-off quoted to us by your lienholder as the remaining amount of the balance on your trade-in and the actual pay-off required from us to satisfy its lien or to satisfy any other encumbrance on the trade-in. In order to satisfy the amount of any shortage remaining on the balance of your trade-in, or if the lender declines your application for financing the vehicle described in this agreement after we have paid off the remaining amount of the balance on your trade-in, you shall immediately pay us such amount(s) in cash or with alternate funds acceptable to us such as a money order, bank cashiers check or draft.
- 2 (a). TRADE-IN You represent to us that you have good title to the motor vehicle(s) that you are trading to us as shown in this Agreement and that each of your trade-ins is free of any liens or encumbrances other than those specifically disclosed in this document. You agree to deliver to us on demand title papers and ownership documents properly endorsed to us. You further agree and warrant that none of your trade-ins has sustained any structural damage, collision damage, or body damage except to the extent specifically disclosed in this document.
- 2 (b). TRADE-IN ALLOWANCE The trade-in allowance shown in this Agreement may not represent the actual cash value of your vehicle because it may contain additional discounts and over-allowances. If reimbursement for your trade-in vehicle is to be made for any reason, instead of return of your trade-in to you, then you will be entitled to the actual cash value of the trade-in vehicle regardless of the amount of any trade-in allowance, over-allowances and additional discounts allowed by us.
- 2 (c). NO TAMPERING OR REMOVAL. You represent that you have not tampered with or removed any safety or emissions control equipment from the trade-in vehicle(s), nor has anyone else to the best of your knowledge.
3. DEALER shall not be liable for failure to deliver or delay in delivering the motor vehicle covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer.
4. THE PRICE FOR THE MOTOR VEHICLE specified on the face of this Order does not include Federal excise taxes, sales taxes, use taxes or occupational taxes, (Federal, State or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such Federal excise, sales, use or occupational taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability therefor.
5. MEDIATION/ARBITRATION REQUIRED BY THIS AGREEMENT. Both parties agree that instead of litigation in a court, if any dispute, controversy or claim (individually or collectively a "dispute") occurs arising out of or related to the sale of this vehicle, this Agreement or to any other document or agreement relating to the vehicle (including any Retail Installment or Consumer Credit Sale Contract), the parties shall first attempt to settle the dispute by direct discussions. If the dispute cannot be settled by direct discussions, the parties shall next try to settle the dispute amicably by mediation administered by an American Arbitration Associate under its Commercial Mediation Rules before resorting to arbitration. Following mediation, any unresolved dispute shall be settled by binding arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules. Such arbitration shall be conducted in the city where seller is located. Each party shall pay his or her own costs. Following arbitration, any party may apply to any court having jurisdiction for an order confirming the arbitration award and for a judgement or decree to be entered in conformity therewith.
6. DEFAULT If you fail to execute all documents required to complete this transaction or fail to accept or reject delivery or revoke acceptance of the vehicle or otherwise default in any manner, we may retain as damages an appropriate portion of any payments or in lieu thereof place a lien on any trade-in vehicle(s) delivered by you. We shall be further permitted to proceed with any and all remedies available at law or in equity without waiving our rights by acceptance of such payments and trade-in(s). You shall pay all costs, charges, and expenses (including reasonable attorney's fees) incurred by such default.
7. NOTICE OF BREACH You agree to give us notice of any breach of contract or express or implied warranty applicable to the vehicle within thirty (30) days of the time you discover or should have discovered the breach or you shall be barred from any remedy for the breach. You shall return the vehicle to us within three (3) working days after the notice of breach to allow us an opportunity to cure the breach or you will be barred from any remedy for the breach.
8. USED VEHICLE CONDITION. You agree that, with respect to any motor vehicle, we make no representation or guarantee as to the prior usage, history, maintenance, care or condition of the motor vehicle, or whether the vehicle has sustained any previous body or frame damage. You also agree that we make no representation or guarantee as to the originality of the components or parts on a used motor vehicle nor do we accept any liability or responsibility for alterations, repairs, or changes made prior to our ownership. You acknowledge that it is your responsibility to consult with your own mechanic or body shop technician for investigation of all such issues relating to the used motor vehicle's condition.
9. IF THIS IS A CONDITIONAL RETAIL PURCHASE AND SELLER IS ASSISTING WITH FINANCE SOURCING: You acknowledge that the sale of the above described vehicle is not final until your loan application has been approved by a third party lender acceptable to Seller, and a retail installment or consumer credit sale contract has been fully executed with respect to this transaction and we have received funds for the unpaid balance from the lender. If a lender approves your loan, it may require additional down payment or a change in the terms or number of payments. If changes are required, you agree to return to Seller's premises to execute revised documents within three (3) working days. Changes required by the lender must be acceptable to you and us. You understand that we do not represent or imply that your loan application has been approved or will be approved by executing this agreement or permitting you to remove the vehicle from the premises. If the lender declines your loan application, paragraph 1(d) printed above shall apply.
0. ORAL PROMISES are not valid. Any promises or understandings not specified in writing in this agreement are not valid and shall not be considered a part of this Agreement.
1. ADDITIONAL DOCUMENTS: You agree to execute additional forms, contracts or other documents required by this Agreement, any retail installment or consumer credit sale contract or Federal and/or state requirements.
2. COLLECTION In order for the Seller to comply with F.S. 559.72(4), the Seller reserves the right to contact the employer of the Purchaser for collection purposes and the Purchaser's signature on this Agreement acknowledges the Seller's right to do so. Past due payments shall bear interest at the rate of 1-1/2% per month from date due to date of payment. Purchaser will pay all costs of collection, including a reasonable attorney's fee, incurred by dealer in enforcing this agreement.
