Consider Engaging SGRC to Select Engineer Firm For Closure

Vice-Chair Jason Holt made a motion to engage SGRC to select engineer firm for Closure. Board member Kevin Johnson seconded the motion; which passed with Vice-Chair Jason Holt, Board member Kevin Johnson, Board member Hampton Raulerson, and Chairman John Mooney all voting on the motion.

Board member Hampton Raulerson gave an update that there is some damage after the storm, spoke with Brant about what's the best path moving forward on the Inert site.

The ditches couldn't hold the amount of water, it washed out about a 3-foot deep/wide area, which needs to be filled back in, this was below the road.

On the Leachate pond it created several washes which in a section the sand gave way, and the liner exposed, EPD will be contacted and they may be okay with the exposure being that it is a Leachate pond.

C&D site will get filled back up/packed once the employees get caught up on the road

Inert site had some washes, but nothing major
