NOTICE TO PUBLIC COVID-19

Effectively immediately, we are limiting access to the public for all county buildings. All doors will be locked and monitored. We encourage you to continue doing business through e-mail, internet, or phone when at all possible. If an in-person transaction is required, please contact the appropriate department for an appointment. We will continue this controlled access through June 30, 2020 but we may extend this date as conditions warrant.

The Ben Hill County Commission is responsible for the health, safety, and welfare of our community. We are taking the above-mentioned action based on guidelines recommended by the Centers for Disease Control (CDC). Social distancing is the best way to prevent the spread of germs. While these actions are temporary, we feel this simple precaution is in the best interest for the community and our employees.

Thank you for working with us for a healthier Ben Hill County.

Steve Taylor, Chairman
Ben Hill County Commission
